WE'RE LOOKING FOR COLLEAGUES NOT BOOKS OF BUSINESS

Corny, but true.

Of course we all want to acquire profitable books of business, but E & K has a fundamentally different approach to growth than the so called "agency consolidators."

We're in search of talented, insurance professionals who enjoy what they're doing and would like to continue in a warm and collegial environment.

Our goal is to stay close to our clients. Sure we want to grow. But only to our client's benefit, not at their expense.

E & K is a highly professional, centrally located, New Jersey agency. Our staff holds premier insurance designations and are active leaders and teachers in our industry. Our state of the art office provides the flexibility to accommodate the needs of each of our professionals – enabling them to serve clients where they want, how they want.

Most important: We don't have a "formula" of how to "acquire" agencies.

We Listen. We want to hear how we can develop a plan *together* that makes you and E & K happier, more profitable and better insurance professionals.

If you think we may share the same goals & values, we welcome your call.
