Dear Richard:

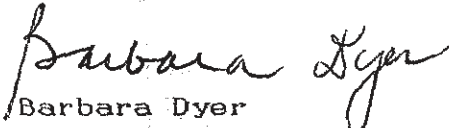

It has been nearly nine months since the "Storm of the Century" and I have been meaning to write to you long before now.

First of all, I would like to express my sincere appreciation for the professional and courteous manner in which you and your entire staff responded to us during our time of need. The follow-up telephone calls and your on-site presence made us realize that we were not handling the enormous task alone!

I would also like to take this opportunity to let you know what a pleasure it is working with Kay McGloin. She has always been extremely helpful and efficient. Her friendly, pleasant ways are an added plus!

In an age where we all seem to complain, I thought it was appropriate to let you know how much I appreciate your dedicated service.

Sincerely,
The Admiralty Condominium Association
