Dear E&K:

Ernie and I would like to thank you for your excellent service and for taking interest in saving our company a substantial amount of money and providing us with better coverage. We were extremely pleased.

Please contact me at your earliest convenience, I would like to meet with Karen and Leslie in the claims department and explain the service that our company can provide to your insureds.

We look forward to a lasting relationship.

Thank you again,

Lori & Ernie Fattorosi
