

5/14/94

Dear Larry,

all too often complaints
are made regarding those
with whom we have business
dealings.

Too many times we forget
to say thank you. Such is
the case with not only
yourself but two people who
have been both courteous
and helpful with me.

Both Judy Harmon and
Mama Martin have been
helpful and professional
yet with an air of friendliness.

Thanks very much -

Regards -

J. J. Wells
