Dear Rich:

Effective December 6, 1995 Telecom Analysis Systems has become part of the Bowthorpe Group. The parent company provides, through Willis Corroon, insurance for all subsidiaries and we are now fully covered by corporate. Therefore, we request that any and all insurance, with the exception of the bond on the profit sharing plan, be canceled at this time with the effective date of 12/6/95.

Rich, my thanks for your help in the past and the high level of service offered by E&K. Your office has done a great job in the past for TAS and I would unhesitatingly recommend E&K to any interested party.

Hope to see you around Wanamassa School, if not, have a great new year.

Sincerely,
